

Ruler of the World

Campaign 2008

March 1, 2008

Dear Fourth Grade Community,

Now that Project Fair 2008 and spring break are behind us, we will focus on finishing the Ruler of the World Project in the next two to three weeks. Over break I have reviewed each student's graphic organizer (Inspiration) and most the students are finished and have found some great information to use in their written mini sagas.

In the next two weeks students will need to complete a letter to the committee and a bio card on each person. In school you will complete the letter and the written information section of the bio cards. At home you will complete the front of the bio cards.

For a complete explanation of the bio cards, see the attached handout.

Sincerely

The Committee
